Procurement Days – Trends and Best Practices in the Future of Procurement

Procurement Days brings together the most important trends and real-world examples related to the future of procurement—from digitalization to risk management to sustainability.

The event brings together procurement decision-makers and solution providers, offering a platform for discussion, best practices, and concrete use cases. You're an ideal partner if you offer products or services in the areas of digitalization and e-procurement, risk management, sustainability and ESG, and supply chains

Target Group

- Purchasing and procurement departments in manufacturing, retail, and services
- For SMEs: owners, managing directors, and purchasing managers; for larger companies: category managers, supply chain managers, and purchasing and CPO executives
- Anyone who wants to actively shape the future of purchasing and network with decision-makers and suppliers in the industry

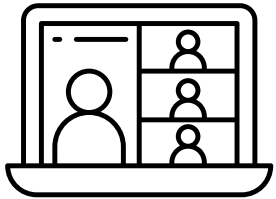

Presentation language: German
Time zone: CET/CEST
