

Content Marketing

Reach your target audience with informative messages

The Konradin Media Group

With more than 400 employees, the Konradin Media Group is one of the largest providers of specialist information in the German-speaking world.

Founded in 1929, the publishing house's portfolio includes corporate publishing and printing as well as a wide range of trade media, knowledge magazines, online platforms and specialist events.

Konradin Industry – the network of expertise for industry

Our portfolio comprises 18 media brands for decision-makers in industry.

As a network for industrial communication, we enable a cross-media, target-group-specific approach in print and online, from events and media partnerships to corporate publishing.

Our trade media have been well established in their markets for decades. They are trusted by companies and their advertisers. They appeal to a wide range of qualified executives.

Facts and figures

40 successful media brands

4,498 customers from various industries

+400 satisfied employees

Innovationen, die den Standort stärken

3D-Druck erfolgreich in die eigene Produktion integrieren

3D-Druck bietet ein hohes Innovations- und Optimierungspotenzial weit über das Rapid Prototyping hinaus. Viele Unternehmen fragen sich heute deshalb, wie sie neue sinnvolle Anwendungsmöglichkeiten identifizieren und das Potenzial der additiven Fertigung besser nutzen und können. Um neue Ansätze zu finden und mehr aus der Technologie herauszuholen, hilft es, sich an einer Reihe von Tipps zu orientieren.

1. Gesamtmehrwert vor Bauteilkosten

Bei der Suche nach neuen 3D-Druck-Anwendungen stehen oft die Frage im Mittelpunkt, ob es günstiger ist, ein Bauteil additiv oder konventionell zu fertigen. Diese Herangehensweise
