

Web Session Power Electronics

October 22, 2026

Presentation language: German
Time zone: CET/CEST

What is the Web Session about?

Topic 2026

Web Session Power Electronics

Power Electronics is a key technology – it drives innovation in areas such as E-Mobility, Renewable Energies, Medical Technology and Aerospace.

The Web Session presents **innovative solutions** and **concepts** for **efficient Electronics Manufacturing**. You are an ideal partner if you offer products or services in the areas of **process optimisation, assembly, soldering processes, thermal management, cleaning technology, sustainability, testing methods** or similar topics.

Target Group:

- Companies with their own electronics manufacturing facilities and EMS service providers
- In SMEs: owners, managing directors, technical managers, production managers
- In larger companies: process engineers, manufacturing and factory planners
- Anyone involved in design for manufacturing (DfM)

Partner 2025:

Why should you book a Presentation Slot?

Your Advantages

As a Partner you have the opportunity to focus on your subject area and convey your expertise directly to your Target Group with a Presentation. Position yourself as a competent partner for both existing customers and potential new customers.

Qualified Lead Generation

You receive the full Registration List in addition to detailed reporting to effectively identify potential new customers.

Wide Reach

Reach your Target Group throughout Germany and beyond and benefit from our unparalleled network.

Long-term Effect

We take care of the technology and project management and generate additional leads through the on-demand Webcast.

Enhanced Visibility

By advertising before, during and after the Web Session as a Partner you will gain additional visibility within our network.

Clear Positioning

You will present yourself as a competent contact in your industry and stand out through relevance amongst the Target Group.

What does your Booking include?

Services and Prices

Your innovations presented in an eye-catching manner

During the Web Session, questions will be discussed and innovative solutions are presented. Present your innovations within the field of Power Electronics in 20 minutes (inc. Q&A session).

In addition to the complete Registration List (GDPR compliant), you will also receive a wide reach thanks to the extensive Webinar advertising. The number of Presentations is strictly limited and we therefore recommend early booking.

Booking Deadline: August 19, 2026

Data Delivery: September 2, 2026

What do we need from you?

Data Request

	Required Content	Format	Volume	More Details
	Name and Function of the Speaker, Company	DOC, TXT		
	Company Logo	402 x 402 px		The Company Logo is used for the Logo Slider on the Landing Page and in Newsletters.
	Phone, E-mail	DOC, TXT		These Contact Details will be used for communication with the Speaker.
	Portrait Picture	JPG, RGB		The Speaker image should be created in landscape format 16:9 and be larger than 300 px.
	Link: LinkedIn and XING profile	DOC, TXT		The Links are published on the Landing Page, if available and desired.
	Presentation Title	DOC, TXT		The Title of the Presentation should be as specific as possible and spark the interest of potential Participants.
	USP/quintessence (succinct summary) for the Landing Page	DOC, TXT	Max. 200 characters*	The Text describes the benefits of the Presentation for the Participants.
	Teaser for promotion in Newsletters	DOC, TXT	Max. 300 characters*	The Teaser Text describes the benefits and should attract attention. It must be clear to potential Participants what your Presentation is all about.
	Icebreaker Questions for the Q&A following your Presentation	DOC, TXT	3 Questions	We use Icebreaker Questions to "break the ice" should questions not arise directly from the audience. Consequently, you also have the opportunity to prepare for the answer in the very best possible way.

Do you still have questions?

Whether classic Print Media or comprehensive Online Marketing Solutions - we work with you to develop customised measures tailored to your specific communication goals.

We would be delighted to provide you with individual advice upon request.

We look forward to your enquiry!
