

Web session Climate change and health

May 20, 2025

What is the Web Session about?

The Topic

Climate change and Health

Climate change, with all its consequences, has a major impact on the health of employees and therefore on occupational health and safety. From the requirements of ISO 45001 to personal protective measures such as cooling clothing or improved UV protection - our web session offers a broad and renowned platform on which you can present your company and your solutions.

Moderated by the editorial team
