Getting your message across

The Konradin Media Group

With more than 400 employees, the Konradin Media Group is one of the largest providers of specialist information in the German-speaking world.

Founded in 1929, the publishing house's portfolio includes corporate publishing and printing as well as a wide range of trade media, knowledge magazines, online platforms and specialist events.

Konradin Industry – the network of expertise for industry

Our portfolio comprises 18 media brands for decision-makers in industry.

As a network for industrial communication, we enable a cross-media, target-group-specific approach in print and online, from events and media partnerships to corporate publishing.

Our trade media have been well established in their markets for decades. They are trusted by companies and their advertisers. They appeal to a wide range of qualified executives.

Facts and figures

40 successful media brands	4,498 customers from various industries
+400 satisfied employees	95 years of Konradin Media Group

” What sets us apart is our multi-faceted expertise.“

Why should you book a standalone newsletter?

Your benefits from partnering with Konradin Industrie

At **Konradin Industrie**, we offer comprehensive communication services tailored to your individual business objectives.

We use well-thought-out **strategies** and the right **wording** to reach your target audience and generate qualified **leads** for you.

Recognisable to your target audience

You reach the recipients of your chosen editorial newsletter in the familiar newsletter layout.

Certified & GDPR-compliant

All of our newsletters are reviewed and sent out exclusively according to GDPR regulations.

Customised project workflow

You choose a relevant topic, your content and the dispatch date of your newsletter.

Minimum effort

We create your standalone newsletter based on your individual specifications and ensure a smooth distribution process.

High level of transparency

Once your standalone newsletter has been successfully sent, you will receive a detailed report with all relevant KPIs.

Choose the recipients of your standalone newsletter!

Select your target group based on the recipient addresses of the respective editorial newsletter | Page 1 of 2
